

OAKES COLLEGE

SUMMER SESSION

SESSION 1

June 26 - July 28

ACADEMIC SUCCESS OAKS 10 (2 CREDIT)

Provides opportunity to assess and revise methods of and purposes in studying. Critical, effective approaches to reading, writing, participating in lectures and sections, taking exams, balancing competing responsibilities, and utilizing campus resources explored.

FOOD SYSTEMS: CULTURE, SOCIAL JUSTICE, SUSTAINABILITY OAKS 167

Examines the complexities of food systems with special attention to labor practices, food access, and food production. Students consider the nature of culture in advancing problematic notions of food options and sustainability. A service-learning project is required.

SESSION 2

July 31 - Sept 1

ACHIEVING CONSENSUS IN DIVERSE COMMUNITIES OAKS 45

Defines consensus in terms of inclusive decision-making and explores depth psychology approaches to achieving social agreement in culturally diverse settings. Readings include Freud's Totem and Taboo, DICE Group's Diversity Calling. Recommended for but not limited to social science majors.

CLASSES OPEN TO ALL STUDENTS
