## IMPORTANT MOVE-OUT INFORMATION FOR ALL OAKES COLLEGE RESIDENTS

---

**UNWANTED ITEMS:** Don't throw it away if it is still usable - give it away. Donation and Recycle Bins will be located at the Recycle area near your building starting June 6. The three locations are:

1. Kahlo Apts next to the recycle area.
2. Milk Apts. Inside the laundry room.
3. Hong-Lim res hall next to the recycle area.

Just drop off your stuff there and we will see to it that it goes to someone who needs it.

Unwanted electronics should be delivered to the maintenance shop located at Wiesel and dropped off on the blue table near the maintenance shop. Other items listed below may be also delivered to the maintenance shop.

**HAZARDOUS WASTE:** Below is a list of hazardous material that cannot be dumped in the regular trash. You can drop off these materials at the Maintenance Shop located at G-Wiesel. There will be a table near the maintenance shop for your unwanted items. Any particularly toxic materials should be brought immediately to the maintenance shop for proper disposal. If you are unsure about disposing of something, please email maintenance at [jgovea@ucsc.edu](mailto:jgovea@ucsc.edu) and ask for Juan.
